MR. Entron:-Allow me through your paper to notice some remarks the Bugle has taken the liberty to make in reference to me; I have no requaintance with the gentleman of the Bugle, and have never done him any injury. have allways strictly attended to my own business; but the Bugleman are not pleased with me, they don't like the idea of the swinish squatters of Nebraska grunting around the pens where none but calves have a right to aspire. Now I care just as much about what the the biped of the Bugle may say about me as I would about the quacking of any other branch of the webb footed tribe; doubtless the Bugleman thinks he knews it all, and is a rad that all the wisdom will die with him. Sr. Louis Testimony,

County of St. Louis. \$ 88. Be it remembered, that on this fifth day a May, A. D. 1803, before me, the undersigned, unayor of the city of St. Louis, in the county and State aforesaid, came personally David M. Smythe, who, upon his oath, says that the following statement is true.

In testimony whereof I hereto set my hand the day and date last aforesaid.

JOHN HOW Mayor

JOHN HOW, Mayor,

Soc. NEWMAN, Register. Sr. Louis, Mo., May 5, 1853. Dr. A. G. BRAGO, & Co.—Gents: You will probably recollect that I called into your estabishment some three weeks since and purchased a fifty-cent bottle of your "Mexican mustang imment;" my object in so doing was to try its merits upon my daughter's arm, who has been suffering from the effects of a severe dislocation

of the elbow for several years past.

The exeruciating pain consequent upon false setting of the bone had dwindled and contracted her arm to a puny size, and I consider it a duty devolving upon me to acquaint the community of the beneficial effect your limitent has paoduced. Herarm was drawn to a right angle, and was almost inert and useless, until your invaluable liniment was applied, since which time, I am happy to state, she has enjoyed uninterrupted good strength, and can use her arm nearly as pli-

antly as before it was dialocated.

I would state, however, that prior to trying your unequaled liniment, I used several other remedies, and among them "McLean's volcanie oil liniment," but with the least beneficial result.

D. M. SMYTHE.
